

Join Us for the First Ever FLC

Star Party

The **FLC Dark Sky Committee** is dedicated to preserving our community's natural night skies by reducing light pollution and promoting responsible outdoor lighting. As part of our efforts to achieve International Dark Sky Community certification, we're excited to host our first-ever Star Party—a fun and educational event for all ages!

William H. Frazier Elementary School

April 26th, 2025

7:00 -9:00 PM

Event Highlights:

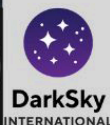

Stargazing , Guest Speakers ,
Local Astrophotography Display ,
Dark Sky Certification update , Q&A Session , and
Kid-Friendly Activities.

Bring your family, a chair, blankets, and curiosity!

Help us protect our dark skies and enjoy an unforgettable night under the stars.

Hosted by Fallbrook Land Conservancy Dark Sky Committee
in collaboration with DarkSky International.
